

## **The synonym bingo game**

Each pupil has a card. They all have the same 9 words. Teacher has the call sheet, calls out the word on the card and children have to write a synonym of that word. When all 9 have been completed, teacher can ask what synonyms have been used.

### **Extensions**

- vote on the most unusual
- writing a phrase using their own synonyms
- writing a sentence
- how many others can they think of?

## Synonyms
